Ministry Focus

Liaise with Mike Smith and/or ministry department leader about any relevant prayer points for that week.

World/Current Events

Pray for situations and circumstances as they arise and have an impact on our community, country, and world.

N.B. USING THIS GUIDE

As just that - a *guide*. You do not *have* to read the allotted passage, and you do not need to pray for *everything* listed for that week, esp. as some categories have multiple points listed. Feel free to choose, as well as to leave room for other prayer points as they arise.
